About Me

I am an enthusiastic AI-ML student with a strong focus on practical learning and hands-on experience. While I am still developing my technical expertise, I am eager to expand my knowledge in programming and AI applications. I enjoy problem-solving, teamwork, and project development, and I have experience in planning, organizing, and coordinating projects. My goal is to apply my skills effectively in innovative AI-driven solutions while continuously learning and improving.

Education

- **Symbiosis Skills and Professional University**
Bachelor of Technology (B.Tech) in Artificial Intelligence & Machine Learning [2024-2028]
Relevant Coursework: Introduction to AI, Data Structures, Python Programming, Machine Learning Fundamentals, Computer Programming and Architecture, COA, EDA, OS.
 - **SNBP Junior College, Rahatani (Subhadra's Nursery Bhosale Public School)**
Higher Secondary Education (12th) | CBSE: 59.4 | [2024]
 - **Akshara International School, Wakad**
Secondary Education (10th) | CBSE: 73.6 | [2022]
-

Workshops & Training Programs

- **Cybersecurity & Ethical Hacking:** HICA XPLOIT, EC-Council Career Session, Hacking the Connected Cars, IoT & Bluetooth Security
- Completed a One-Week International Short-Term Training Program on "Cloud Security: Emerging Threats and Cyber Threat Intelligence".

Industry Expert Sessions & Conferences

- Attended a International conference on emerging trends in supply chains, digital marketing, and technologies.
 - Attended an Acquia Talent Acquisition session on CV writing, LinkedIn optimization, and interview prep.
 - Attended an enlightening session on Trends in AI and Generative AI with Mercedes Soria, CIO of KnightScope Inc..
-

Skills & abilities

- **Programming Languages:** Python, C, HTML/CSS
- **Technologies & Tools:** Git, Jupyter Notebook, Google Colaboratory, RStudio
- **Soft Skills:** Problem-solving, teamwork, adaptability, analytical thinking, project planning and coordination
- **Other:** Power BI, Visual Storytelling, Sketching & Visual Representation, Management Tasks, Low-Code/No-Code Development.

Extracurricular Activities (Participations)

- Active participant in AI and technology-related workshops and hackathons.
- Member of AI Club and Coding Club, actively participating in discussions, workshops, and collaborative projects to enhance technical and problem-solving skills.
- Competed in **Eureka! Startup Pitching Competition**, working on two innovative business ideas:
 - **DropBot**: AI-powered tool to simplify dropshipping businesses by automating product discovery and online store creation.
 - **GrocAI**: AI-driven grocery shopping assistant for smart recommendations, price comparison, and meal planning.
- Participated in **Innovera Hackathon**, developing Smart Glasses to assist visually impaired individuals.
- Competed in **AI GATI Hackathon**, designing an AI chatbot for efficient grocery planning and shopping. Built a working prototype that integrates recipe-based grocery recommendations and an interactive shopping assistant.

Certifications & Online Courses

- **International Short-Term Training Program on Cloud Security**: Emerging Threats and Cyber Threat Intelligence. (Certified)
- **Python for Cybersecurity Professionals - Cybrary**. (Certified)
- **Machine Learning A-Z: AI, Python & R + ChatGPT Prize [2025] - Udemy**
https://www.udemy.com/share/101WfW3@KKSvjRzpASWxithUa0fhiscXtTxkJd_PzikRRsizgse8E3zJl1D_ZdKXmnF0SlG8uoQ==/ (Certified)
- **Programming in Python** – Swayam NPTEL (Ongoing)
- **The Complete Full-Stack Web Development Bootcamp** (Ongoing)
- **Fundamental Algorithms: Design and Analysis** (Ongoing)
